

BOSCH

Invented for life

Bosch built in oven 60cm

Bosch HBG635BB1- Series | 8

General Information:

Display 2.5 color TFT with technology

Ecolyse: rear wall

Volume capacity: 71 liters

OVEN INC ELECTRONIC CATALYTIC A+ with 10 cooking functions:

Hot Air 4D, ECO cooking on one level,

top and bottom heating,

heating ECO, fan grill,

large grill surface,

grill small area,

pizza function,

lower heating, defrosting.

Temperatures from 30 ° C to 300 ° C

Rapid heating

SoftOpen and SoftClose door mechanism

Full glass door

Halogen interior lighting,

lighting comfort oven (switched off)

Cooling ring

Fan stainless steel

Electronic clock with setting minder

Child Safety

Safety switch

Residual heat indicator

Start button

Door contact switch

Technical information:

Max. Capillary. (Electr.): 3.6 kW

Temperature leads max. 40 ° C

Energy efficiency (acc. EU Nr. 65/2014):

Energy consumption per cycle during conventional operation: 0.87 kWh

Energy consumption per cycle during operation ventilated: 0.69 kWh

Number of cavities: 1

Power Type: Electric

Product Dimensions

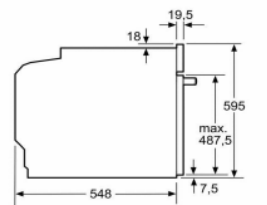

Dimensions (mm):

Height: 595 mm

Width: 595 mm

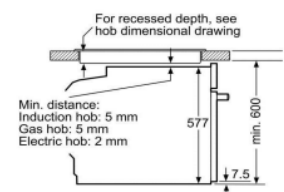

Depth: 548 mm

Guarantee: 5 years parts & labour

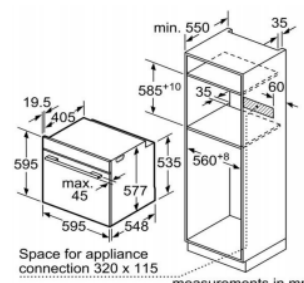

Dimensions in mm

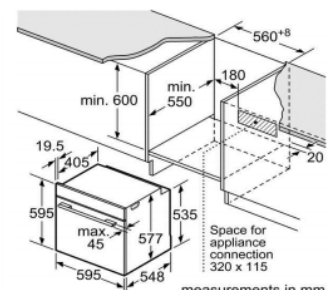

Installation with a hob.
