

Faber Wall Mount Hood

Faber Air Hub Stilo Glass Comfort XV A90

AIR HUB is the new Faber range that incorporates a double function in a single product.

In addition to extracting fumes, vapors and odors generated in the kitchen while cooking food like a classic hood, AIR HUB purifies the air from the presence of any viruses and bacteria, thanks to the presence of a UV-C lamp inside.

Technical Features:

Code	325.0656.897
Description	Air Hub Stilo Glass Comfort XV A90
Finish	Stainless steel / Glass
