- Average annual energy consumption: 247 kWh/annum
- Net fridge volume: 238 L
- Net freezer volume: 98 L
- Total net volume: 336 L
- Freezing capacity (24 h): 3 kg
- Climate Class: SN, N, ST (10–38°C)
- Noise Level: 39 dB(A)
- Noise emission class: C
- Voltage: 220–240 V
- Frequency: 50 Hz

#### Design and Styling

- Finish: Stainless steel (Inox)
- Handle: Integrated
- Door hinge: Right reversible
- Interior lighting: LED 1.5 W
- Adjustable feet: 2
- Glass shelves: 3
- Vegetable drawers: 2

#### Convenience & Safety

- No Frost system: Yes (Fridge and freezer)
- External electronic display: Yes
- Super Cooling: No
- Super Freezing: Yes
- Vacation function: Yes
- Freezer drawers: 3
- Door balconies: 3
- Automatic defrost: Yes (Fridge and freezer)

#### Dimensions

- Appliance Dimensions (H x W x D): 2004 × 595 × 590 mm
- Depth with door open at 90°: 1210 mm
- Net weight: 64 kg
- Length of power cable: 200 cm
- Plug type: E+F (Schuko)

#### Technical Information

- Number of compressors: 1
- Number of independent cooling systems: 1
- Temperature range fridge: 0–4°C
- Temperature range freezer: –18°C to –24°C
