

## Heat pump dryer, 9 kg Type: SDR9I

### TECHNICAL DATA

Product type: Free alone  
 Loading capacity (cotton): 9 kg  
 Product dimensions: 844 x 596 x 630 mm  
 Dimension with packaging: 884 x 646 x 668 mm  
 Net Weight: 52 kg  
 Refrigerant: R290  
 Drum volume (litres): 112 litres  
 Drum diameter: 575 mm  
 Colour: White  
 Door reversibility: Yes  
 Door opening angle: 180°  
 Nominal electrical connection data: 600 W  
 Current: 10A  
 Voltage: 220 - 240 V  
 Frequency: 50-60Hz  
 Certification: EN

### CONTROL PANEL

- Digital displays
- Full tank indicator
- Programme progress status
- Filter cleaning indicator
- End of drying acoustic signal

### Safety

- Child lock

### MAIN CHARACTERISTICS

- Heat pump technology with R290 gas and zero environmental impact
- Inverter motor
- Delayed start (1-24 hours)
- Easy Iron: softens and facilitates ironing
- Wardrobe: ready to be stored in the wardrobe
- Extremely dry: ready to wear
- Rotation inversion
- Half load
- Drum lighting

## DRYING PROGRAMS

1. Cotton
2. Intensive (Eco Dry)
3. Synthetic
4. Rapid
5. Shirts
6. Towels
7. Jeans/Coloured
8. Duvet
9. Sports/Fitness
10. Delicate
11. Bed sheet
12. Wool
13. Mix
14. Timed drying (ambient air)
15. Timed drying (hot air)

## CONSUMPTION DATA

- Energy efficiency class<sup>1</sup>: A+++
- Energy<sup>2</sup>: 194 kWh/year
- Loading capacity: 9 kg
- Programme duration<sup>3</sup>: 158 min./cycle
- Airborne noise emission: 65 dB
- Condensing efficiency class<sup>4</sup>: A

<sup>1</sup> In a scale of energy efficiency classes from A to G

<sup>2</sup> Annual weighted energy consumption in kWh, based on 100 wash cycles with reference standard programme, in full load and half load mode.

<sup>3</sup> Weighted duration of the reference standard programme at full load and half load.

<sup>4</sup> On a scale of efficiency classes from A to G

<sup>5</sup> On a scale of efficiency classes from A to D
